

Hillsdale Annual Safety and Security Report 2010

CAMPUS SECURITY POLICIES

Campus Safety at HILLSDALE FREE WILL BAPTIST COLLEGE

INTRODUCTION

The "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act" requires colleges and universities to report annually information regarding their campus security policies and campus crime statistics. This document is Hillsdale Free Will Baptist College's annual security report in compliance with the Clery Act.

At Hillsdale Free Will Baptist College (Hillsdale), we are concerned with the safety and security of all members and guests of our campus community. Accordingly, the purpose of this report is to provide Hillsdale's staff, faculty, students, and potential students and employees with yearly crime statistics that have occurred either on or around the campus facilities. It also provides other safety information and procedures on reporting a crime.

Campus safety is the responsibility of all members of the campus community. As students make up the largest percentage of this group, safety is highly impacted by student actions. The College's security policies are articulated for students and employees in different ways to take into account, among other things, the residential nature of the relationship of most students with the College. We are thankful that God has protected us from violent crime. We also believe it is wise that we take certain precautions to ensure that our campus remains free from crime and a place where we can grow in the "grace and knowledge of our Lord and Savior Jesus Christ."

DEPARTMENT MISSION

The stated purpose of the Hillsdale Security Department is to provide a safe and secure environment for students, faculty, staff and visitors and the safeguarding of campus property and facilities from damage or loss. Our approach is to involve the entire College family in the process of maintaining a safe campus. The Security Department strives to create an atmosphere of comfort and safety to allow students to concentrate on academic issues and to allow employees to concentrate on student service and learning.

DEPARTMENT LOCATION

The Security Department is a part of the Resident Student Life Office located in the Activities Building. Security can be reached Monday through Friday, between the hours of 8:00 AM to 5:00 PM, by dialing extension 29032 (non-emergencies). Security officers handle after hour calls and can be reached when on duty by dialing 29032, which forwards to the security officers cell phone.

DEPARTMENT AUTHORITY

Hillsdale security officers do not make arrests. They do, however, provide a uniformed presence intended to deter crime and the means for the College to cooperate fully with local law enforcement officials.

CRIME REPORTING OPTIONS

It is the policy of Hillsdale Free Will Baptist College to encourage the accurate and prompt reporting of all crimes to the security department or the appropriate law enforcement agency. Crimes, suspicious activities and emergencies should first be reported to the emergency response system by dialing 911. Secondly, call the campus security department to report the incident.

Please note that members of the Hillsdale family have several reporting options. Victims or witnesses of a crime may report on a voluntary or confidential basis to several offices. Information concerning crimes can be reported on a voluntary, confidential basis to the Security Department directly for

inclusion in the annual crime statistics. Counselors (pastors, etc.) who learn of a crime from a counselee should inform the counselee that the crime may be reported on a voluntary confidential basis to the Security Department for inclusion in the College's crime statistics only.

TIMELY WARNINGS

Upon receipt of information of a crime or a threat to students, staff and faculty, the Security Department will ensure timely notification of a crime or threat to all students, staff and faculty.

DAILY CRIME LOG

The Security Department maintains a daily log. The log contains any reported incidents and crimes. The most recent 60-day period of the log is available to the public upon request during normal business hours - Monday through Friday, 8:00 AM to 5:00 PM, except holidays. Any portion of the log older than 60 days will be available within two business days of a request for public inspection.

SECURITY AND ACCESS TO FACILITIES

Hillsdale provides separate residence hall-style housing for both men and women. Students are issued a coded card key and a key to their individual residence hall room during the registration process. All keys are collected and accounted for at the end of each school year. All exterior residence hall doors, with the exception of the card-reader doors, are locked 24 hours a day. We also strongly encourage residents to lock their individual room doors whenever they leave - even for a short period of time.

Within the restraints of established policy, overnight guests of the same sex are permitted in the residence hall provided approval is obtained from the Resident Life Director.

Campus security officers, working with the Physical Plant Department, constantly monitor the exterior lighting on campus. Lights discovered not properly functioning are promptly reported to the Physical Plant Department and the necessary repairs are made. They also monitor areas of the facilities that directly impact campus security, such as doors, locks and broken windows.

RESIDENTIAL SAFETY AND SECURITY PROGRAMS

Safety and security related programs are part of the programs that the residential staff coordinates throughout the year. Specific safety and security tips and reminders are published periodically in the form of Security Memos. A safety and policy meeting is held once each fall semester to inform students on safety and policy issues.

ALCOHOL AND ILLEGAL DRUG POLICY

Hillsdale Free Will Baptist College does not permit the use, possession, or sale of illegal (or improperly used) drugs or alcohol on the campus.

SEXUAL ASSAULT POLICY

Hillsdale Free Will Baptist College strongly denounces sexual assault in any form. The College urges the prompt reporting of any incident to proper authorities. Victims of a sex crime on campus should report it immediately to the Security Department and / or the Dean of Men or Dean of Women's Office. Victims of a sex crime occurring off campus should report it immediately to the local police department. In all cases, the protection of any physical evidence is of the utmost importance.

The Dean of Men or Dean of Women's Office will assist students in receiving the necessary medical treatment and counseling. They will also assist student victims with changes in academic schedules and living arrangements, as is reasonable and within the College's control. Within the guidelines of the disciplinary procedures, the accuser and the accused may have other individuals present during disciplinary proceedings. Furthermore, both the accuser and the accused shall be informed of the College's final determination and sanctions concerning any alleged incident.

The College may, upon final determination and confirmation of an alleged infraction (forcible or non-forcible), impose sanctions ranging from counseling to expulsion. These sanctions are not intended to replace potential criminal charges stemming from an alleged incident.

REGISTERED SEX OFFENDER INFORMATION

Hillsdale's Security Department is not the custodian of the sexual offender's database. This falls under the various County Sheriffs Departments. The city of Moore, Oklahoma, lies in Cleveland county.

CRIME STATISTICAL REPORT

The statistical information provided below complies with the required reporting of the "Jeanne Clery Disclosure of Campus Security Policies and Campus Crime Statistics Act." Crime statistics for the most recent three-year periods are published. These statistics reflect incidents reported to Hillsdale Free Will Baptist College Student Services Department and the Moore Police Department, and involve incidents occurring on campus, in residential housing and in areas adjacent to the College campus.

The statistical data reported is compiled from records maintained by the Security Department, the Student Development Office and the Moore Police Department. The criminal offenses are classified using the "Clery Act" crime definitions. The "Clery Act" defines the location categories used. "Non Residential" indicates the violation occurred on campus grounds or in a building not used for student housing. "Residential" indicates it occurred in a College owned residence hall. "Public Property" is public property such as parks and streets adjacent to the campus. "Non-Campus" refers to any building or property located off campus and owned by the College or controlled by a student organization officially recognized by the College.

The reader should keep in mind that some crime victims may choose not to report offenses to campus or local law enforcement authorities and violations listed may result in both arrest and disciplinary referral for the same offense. Other types of unacceptable conduct such as thefts and vandalism occur on college campuses. All criminal activity is detrimental to the College community, and strong measures including dismissal are taken against offenders.
